

How You Can Help Us Make Every Penny Count

Mahwah Schools Foundation has already earned \$21,630.22 in quarterly awards through Boiling Springs' Award Winning Community Alliance Program.

How the Program Works: The program gives Mahwah Schools Foundation the opportunity to earn money based on the number of members who bank with Boiling Springs. We receive quarterly donations by continuing to maintain a minimum of twenty individual account holders and/or businesses that have designated their accounts or new loans as supporters.

How You Can Help Us Earn Extra Money: Supporters can help us by opening a new or by having an existing account or new loan with Boiling Springs and designating the account or new loan as a Community Alliance participant. Loan customer must affiliate with a CAP group within 60 calendar days of origination. **No monies are withdrawn from donor's accounts and all donation dollars come directly from Boiling Springs.**

Accounts for students that will help Mahwah Schools Foundation achieve award donations:

Boiling Bucks Youth Savings Account: A savings account designed especially for young depositors, under the age of 18, to teach youths the importance of saving. This account has added features and benefits and bears a higher interest rate than a regular savings account.

Student Checking: Available to consumers between the ages of 14 and 23, this product is a great first checking account for high school students eager to learn how to manage their money, recent graduates beginning a new career and for students heading off to college.

For more information please call: Branch Manager, Patty Langdale at (201) 512-9300 or visit your local Mahwah office at 4 East Ramapo Avenue.
